**RENEWAL**  
Regional Networking  
for Adult Learning  
in Europe

## RENEWAL

Regional Networking  
for Adult Learning  
in Europe

This survey is developed in the framework of the RENEWAL project. This one-year project, funded through Grundtvig, aims at fostering REgional NetWorking for Adult Learning in Europe. The project will focus on two regions: the southern Europe region (Portugal, Spain, France, Malta, Cyprus, Italy, Greece and Turkey) and the centraleastern Europe region (Slovakia, Czech Republic, Slovenia, Bulgaria, Croatia, Hungary, Poland and Romania). Your answers will help the project consortium to create a stateofart report on the implementation of the Adult Learning Agenda in the abovementioned two regions.

**This project has been funded with support  
from the European Commission  
(Lifelong learning Programme Grundtvig)**
