

LebensQualität durch Nähe

Workshop "Local development through citizens empowerment"

28 MAY 2019 H 13-17

Common Representation of the European Region Tyrol - South Tyrol – Trentino, 45-47, rue de Pascale, 1040 Brussels

The workshop will present the results of the project LQN (LebensQualität durch Nähe-Quality of life through proximity) carried out by 5 adult education institutions in Austria, Germany and Italy and the European Association for the Education of Adults, which addressed the need of municipalities to empower citizens and improve their involvement in participatory projects to tackle civic and social challenges. The event will be a chance to reflect and discuss the role of education in fostering local and regional development, and how active citizens' participation can benefit the life of the communities.
