

# National Recovery and Resilience Plans (NRRPs)

## TOTAL OF €724 BILLION

€338 billion in grants  
€386 billion in loans

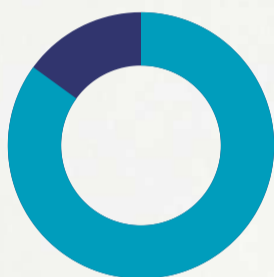

### NRRPs submitted

26 out of all 27 EU Member States have submitted a NRRP (The Netherlands decided not to submit a plan)

### NRRPs endorsed

22 of 26 submitted NRRPs were endorsed by the EU as of yet

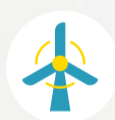

### First payment received

13 countries received the first pre-payment of 13% of the total national budget

## Country Specific Recommendations

The NRRPs must honour the **country-specific recommendations of the European Semester** from 2019/2020, as well as the **seven flagships of the Recovery and Resilience Facility**.

#### Power Up

for more green technologies and renewables

#### Renovate

to improve energy efficiency in public and private buildings

#### Recharge & Refuel

for sustainable and accessible smart (public) transport

#### Connect

for rapid broadband and 5G networks

#### Modernise

for the digitalisation of public administration services

#### Scale Up

to increase the data cloud and to develop powerful processors

#### Reskill & Upskill

to adapt education systems to support digital skills for all ages

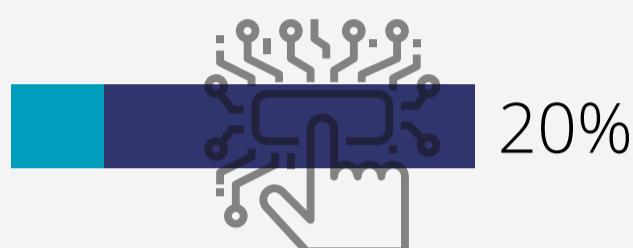

# Supporting the Twin Transitions

The NRRPs need to support **Green and Digital Transitions** called the "Twin Transitions".

Each plan has to include:

a minimum of 37% of expenditure for **climate investments and reforms**

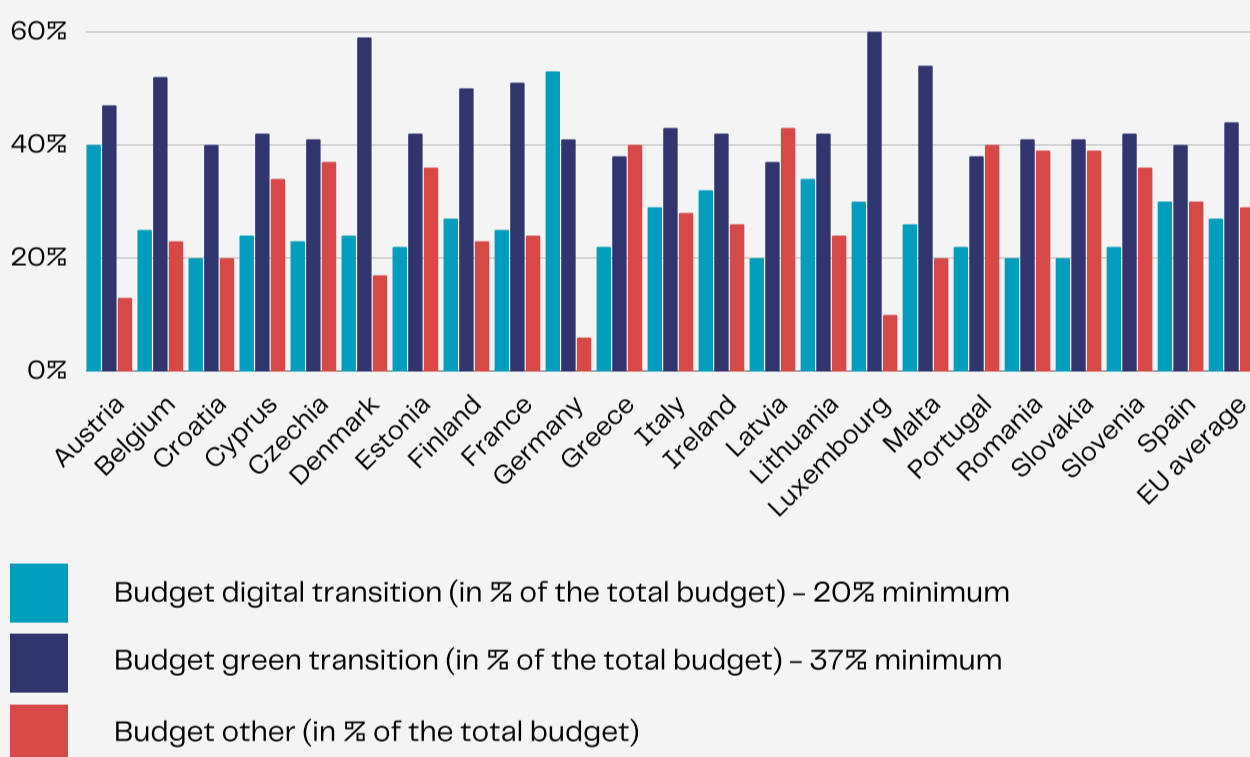

a minimum of 20% of expenditure to foster the **digital transition**
