

## KA1 ERASMUS+

# Learner mobility

The Erasmus+ Key Action 1 programme **now also supports learner mobility for adult learners** for organisations active in the field of ALE!

## WHO CAN PARTICIPATE?

Individuals and groups of adult learners with fewer opportunities (in particular low-skilled adult learners).

### GROUP MOBILITY

A group of adult learners can spend time in another country and learn from other organisations, accompanied and supported by teachers.

### INDIVIDUAL LEARNER MOBILITY

Adult learners can spend time in an organisation abroad, following an individual learning programme.

## WHO IS ELIGIBLE?

Adult learners with fewer opportunities, especially low-skilled adult learners. They must be enrolled in an adult education programme at the sending organisation.

## HOW DOES IT WORK?

### APPLICANT ORGANISATION

The home organisation has to apply for funding. If approved, they have to organise the travelling, meaning they are the **sending organisation**. This home organisation will then select adult learners and send them to a hosting organisation abroad.

Participating in KA1, the home organisations should actively promote:

- inclusion and diversity
- environmental sustainability
- digital education

## WHERE CAN YOU FIND A HOST ORGANISATION?

EPALE, the Electronic Platform for Adult Learning in Europe, can help sending organisations to find partners for their learning mobility.

## WHAT ARE THE APPLICATION DEADLINES?

### IN 2022:

Round 1: **23 February** at 12:00:00  
(midday Brussels time)

Round 2: **4 October** at 12:00

(Not all National Agencies may choose to open a second round!)
