EXCHANGE

42% of respondents say they **benefit from the contacts** that EAEA membership provides

25% of respondents would like to participate in **targeted projects for non-EU members or joint projects**

50% of respondents would like to **engage in peer-learning** activities at EAEA

FUNDING

59% of respondents name the **lack of financial resources** as their main challenge

33% of respondents face **financial barriers** participating in EAEA activities

ADVOCACY

33% of respondents mention a **lack of understanding of ALE** and what it can achieve in their countries

42% of respondents indicate EAEA could support them with **more lobbying**

100% of respondents think EAEA should **play a policy role outside the EU**

SUGGESTIONS FOR EAEA

Information also from a non-EU perspective

Use digital tools & different languages to foster **exchange**

Look for **funding** sources where EAEA could apply with non-EU members

- Advocacy:**
- support the work of non-EU members at the national level
 - advocacy for non-EU members at the EU level
 - promote global frameworks
