Lessons Learned from the National Pilots

1

FLEXIBILITY IS ESSENTIAL

Adapt learning scenarios to the needs of learners, literacy levels and local contexts

2

MAKE LEARNING PRACTICAL

Connect activities to everyday life to increase relevance and engagement

3

BUILD DIGITAL CONFIDENCE

Provide guidance, safe experimentation and supported practice

4

EDUCATORS MAKE THE DIFFERENCE

Use pedagogical judgement to adapt activities, pace and support.

5

KEEP IT MODULAR

Short, targeted activities can deliver meaningful learning outcomes.

6

ALLOW TIME TO PRACTISE

Sufficient time enables deeper learning, collaboration and reflection.

7

PREPARE AND PROVIDE ALTERNATIVES

Test digital tools in advance and have backup options ready.

8

MAKE LEARNING ACCESSIBLE

Combine digital, offline and collaborative approaches to reach diverse learners.

9

ENCOURAGE PEER SUPPORT

Collaborative learning builds confidence and helps learners support one another.

10

REFLECT AND IMPROVE

Educator reflection and peer exchange help refine implementation.

11

KEEP LEARNING AT THE CENTRE

Technology should support practical literacy, learner confidence and participation.

Lessons learned from national pilots: 4 countries (Romania, Finland, Austria and Croatia), diverse learning settings and flexible delivery formats. Co-funded by the EU through the Erasmus+ ETHLAE project.
